

Ashly Johnson, originally from New Jersey, moved to North Carolina to obtain her BA from the University of North Carolina, Wilmington. She currently works at Strata Clean Energy as their Director of Community Outreach, which is a position responsible for building and maintaining positive and sustainable relationships in Strata's internal and external communities. Ashly has been with Strata for almost 7 years and specializes in Strata's social responsibility, workforce development, volunteer programs, charitable giving, and corporate outreach. She has had a passion for volunteering and community service for over 20 years. Ashly has been an active member of the VEWC for the last 3 years and currently serves as the Co-chair of the DEI committee. She also serves on the board of a local Durham nonprofit called the Triangle Nonprofit & Volunteer Leadership Center.
